...the best little fair around!

GREEN LAKE COUNTY FAIR COMMUNITY INVOLVEMENT PROGRAM

The Green Lake County Fair started the Community Involvement Program (CIP) in 2002. The Community Involvement Program has built partnerships with local organizations and businesses through their help in sponsoring programs, entertainment events, donations, and other events at the Green Lake County Fair. CIP Funds have been used for Fair improvements and enhancements, allowing the Fair to remain the area's most economical family attraction. During the past five years, the Fair has been grateful for the wonderful support it has received from the following organizations, businesses and individuals:
