MISSION STATEMENT OF THE GREEN LAKE COUNTY FAIR
(ADOPTED 10/09)
“The mission of the Green Lake County Fair is to provide positive youth development and leadership skills, along with promoting agriculture, family, and community involvement through education and tradition.”

DON’T FORGET ABOUT THE HORSE SHOW!
This event is held on Saturday, July 30 at 8:00 a.m. Green Lake County exhibitors will participate in Showmanship, English & Western classes, along with speed classes. Please be sure to check this out!

AWARD SPONSORS
Competition is an important part of our Fair and the real courage lies in competing in order to better yourself, not to “beat” out someone else. All fair exhibitors are winners by having learned about their project areas. The Green Lake County Fair Committee would like to thank the following individuals and businesses that have graciously sponsored awards for exhibits entered in the Junior Division. The spirit in encouraging cooperation and learning in our youth is deeply appreciated!

The Wisconsin Spudmobile’s visit is courtesy of and supported by Green Lake County Farm Bureau & Trembling Prairie Farms (Bobek Family, Markesan)

The WISCONSIN SPUDMOBILE IS BACK visiting the Fair on Thursday, August 4 from 1:00-4:00 p.m. The Spudmobile is the potato industry’s most comprehensive educational and information resource center, on wheels, focused on potato and vegetable production. The Spudmobile features eight different exhibits that take visitors on a journey from the farmer’s field right to the dinner plate. Through interactive technologies and eye-catching graphics, Spudmobile visitors will learn how farmers are fantastic stewards of the environment and how they incorporate the latest technologies into their agricultural practices. When visiting the Spudmobile, guests will learn about various varieties of potatoes grown in Wisconsin, how they are planted and harvested, the nutritional facts about potatoes and some statistics about America’s favorite vegetable. Kids will be completely engaged as they play games on the interactive touch table.

The Wisconsin Spudmobile was developed by the Wisconsin Potato & Vegetable Growers Association (WPVGA) which is a non-profit organization that represents and promotes state potato and vegetable growers. The WPVGA represents more than 300 members and affiliates. The Spudmobile has been years in development and will make frequent appearances at locations throughout the Midwest including stops at schools, events and retailers who provide Wisconsin potatoes to their customers.

**AGEducation Station**

Since county fairs are an excellent venue for providing information on the importance of agriculture and promoting the local farming community, the Green Lake County Fair is proud to announce the addition of the AgEducation Station at the 2016 Fair. We have invited area businesses, organizations and individuals to share their agricultural passion with fairgoers. The following is a list of topics that can be found in the NEW AgEducation Station!!! A variety of programs will be suited for all ages.

* Beekeeping Display (East Central Wisconsin Beekeepers Association)
* Health Benefits of Honey
* Swine Educational Program
* Dairy Educational Program (Grand River Workers 4-H Club)
* History of Seeds (Renk Seed)
* Hilltop Dairy (Loren Greenfield)
* Ran’s Meat Processing
* Gardening Informational Session
* Cheesemaking

Young fairgoers are encouraged to visit the Commodity Carnival & Risk Ranch booth. CME Group and the National 4-H Council partnered in 2013 to create this fun learning activity for youth to experience managing the business risks associated with producing and bringing livestock to market.

If you have an “agricultural passion” you’d like to share yet this year or next, please contact the Fair office at 920.294.4033.
Thank you! Volunteers!

You are worth more than “gold” to us!

At the Green Lake County Fair, it’s all about the kids.
Children and teens throughout Green Lake County gather at the Fair every year for friendly competition in areas like animal showing, gardening, baking, woodworking and photography. Known as the “best little fair around,” the Green Lake County Fair is a fun, family-friendly event for all ages. As one of the community’s most treasured traditions, organizers wanted to ensure that the Fair would be around for generations to come. So in 2009, the Green Lake County Fair established a charitable endowment with the Oshkosh Area Community Foundation.

“The fair is part of the fabric of our community,” says Molly Spaulding, former UW-Extension Family Living Educator. “We want to continue its legacy well into the future.” In the short-term, the fund will assist the Green Lake County Fair in providing small improvements to enhance the fair experience. But in the long-term, the fund will allow fair organizers to pursue various special projects, perhaps even being able to purchase property for an official fairground.

In it’s 75th year, the fair continues to generate excitement among the community. It’s an event Green Lake County residents anticipate year-round. “It’s fun to show at the fair,” says Cole Chapman (fair participant, pictured above). “It’s my favorite part of the summer.”

The Green Lake County Fair partners with the Oshkosh Area Community Foundation (OACF) to manage the Fair Fund. The OACF is a non-profit charitable organization created by and for the people of Winnebago, Waushara, Green Lake Counties and Ripon. Through charitable giving, the Community Foundation strives to make our communities thrive. For more information, please call 920.426.3993 or visit www.OshkoshAreaCF.org

For an Endowment Fund brochure or to make a tax-deductible donation, please contact the Fair Office in person or at 920.294.4033. You may also donate online using the safe, secure system at www.OshkoshAreaCF.org. When prompted, please designate your contribution to support the Green Lake County Fair Fund.
